

## **Basement Membership Tool List**

Gateway City Arts Basement Members are given the opportunity to use professional tools and equipment during member hours. Below is a list of shared tools available for members use.

- 10" general cabinet table saw
- 12' Powermatic jointer
- 20" Powermatic planer
- 14" Delta bandsaw
- Delta floor model drill press
- 2 two-bag dust collectors
- 3 bench mounted miter saws
- Bench top edge sander, bench top grinders
- 1 portable shop vacuum

All portable power tools and all hand tools are the responsibility of the individual members. Maintenance of the machines and shop space will be the responsibility of all members.

There will be a written safety test for each machine.

New members must complete and pass the test before being allowed access to the machines.
